THE NEW
3M™ 10V
WELDING HELMET

Why complicate things? Welding is tough enough without trying to master a million different welding helmet settings. The new 3M™ Welding Helmet 10V makes it easy as 3, 2, 1 with the longest warranty in its class*.

The Power to Protect Your World

*Longest warranty in its class at the time of printing

3M™ Welding Helmet 10V

As easy as 3, 2, 1 with the longest warranty in its class

Only 390 Grams

3

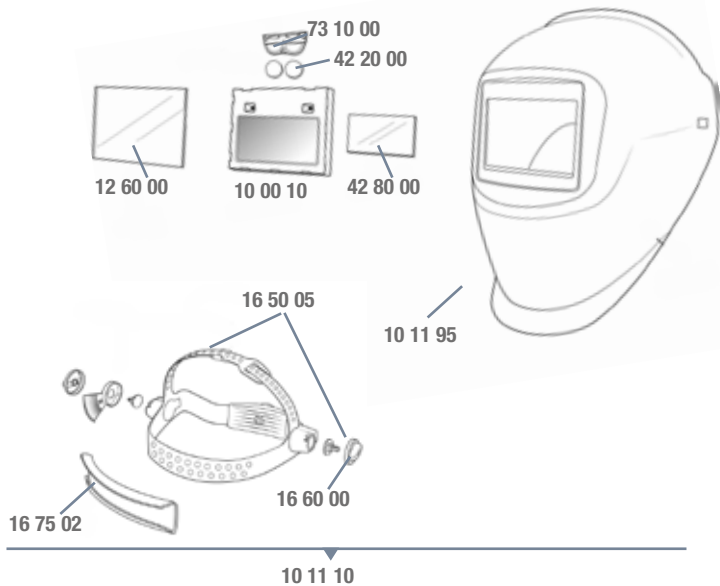

The THREE most commonly used dark shades for welding with a super light shade of 3. Why pay for shades you'll never use?

2

Only TWO sensitivity settings. Spend more time welding and less time setting up your welding helmet.

1

A quality, comfortable and robust welding helmet from the number ONE brand in welding PPE.

*3M and Australian Welding Supplies Pty Ltd (AWS) warrants that the Auto-Darkening Welding Lens (ADL) will be free of defects in workmanship and materials for a period of two (2) years from date of purchase. The warranty excludes failure resulting from improper use or modification of the ADL and factors beyond the control of AWS. Except where prohibited by law, AWS and 3M will not be liable for any indirect, special, incidental or consequential loss or damage arising from this 3M product, regardless of the legal theory asserted. In the case of a warranty claim, a copy of the receipt with date of purchase, along with a description of the fault must be enclosed. This warranty is provided in addition to other rights and remedies you have under law. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be acceptable quality and the failure does not amount to a major failure.
